INDICATIVE RETAIL PRICE

£119

The design that started it all. A clean, timeless table lamp combining reclaimed timber with 1/2 inch black iron pipe and a warm exposed filament-style bulb.

Product details

DIMENSIONS	Approx. H 400 mm x W 250 mm x D 120 mm
MATERIALS	Reclaimed timber base, 1/2 inch BSP black iron pipe, steel flange and elbows, E27 lampholder
BULB	1 x E27 ST64-style LED bulb (not included)
FINISHES	Natural / Dark Oak / Weathered
STATUS	In Development / Coming Soon

Concept visualisation. Final dimensions, finishes and electrical specification may change during development. Finished products will only be offered for sale after applicable electrical safety and conformity work is completed.

The Engineer

Built differently.

A mechanical take on the original pipe lamp, featuring an industrial valve detail for extra character while keeping the same simple reclaimed timber base.

INDICATIVE RETAIL PRICE

£129

Product details

DIMENSIONS	Approx. H 420 mm x W 250 mm x D 120 mm
MATERIALS	Reclaimed timber base, 1/2 inch BSP black iron pipe, steel valve detail, E27 lampholder
BULB	1 x E27 ST64-style LED bulb (not included)
FINISHES	Natural / Dark Oak / Weathered
STATUS	In Development / Coming Soon

Concept visualisation. Final dimensions, finishes and electrical specification may change during development. Finished products will only be offered for sale after applicable electrical safety and conformity work is completed.

The Workshop

Tools for living.

A lower, more compact pipe design with a strong horizontal profile. Ideal for desks, shelves and workspaces where you want industrial character without extra height.

INDICATIVE RETAIL PRICE

£119

Product details

DIMENSIONS	Approx. H 250 mm x W 250 mm x D 120 mm
MATERIALS	Reclaimed timber base, 1/2 inch BSP black iron pipe and elbows, E27 lampholder
BULB	1 x E27 ST64-style LED bulb (not included)
FINISHES	Natural / Dark Oak / Weathered
STATUS	In Development / Coming Soon

Concept visualisation. Final dimensions, finishes and electrical specification may change during development. Finished products will only be offered for sale after applicable electrical safety and conformity work is completed.

The Beacon

A stronger glow.

A taller version of the collection with a protective cage around the lamp, giving a more rugged workshop feel and a stronger visual presence.

INDICATIVE RETAIL PRICE

£139

Product details

DIMENSIONS	Approx. H 450 mm x W 250 mm x D 120 mm
MATERIALS	Reclaimed timber base, 1/2 inch BSP black iron pipe, protective metal cage, E27 lampholder
BULB	1 x E27 filament-style LED bulb (not included)
FINISHES	Natural / Dark Oak / Weathered
STATUS	In Development / Coming Soon

Concept visualisation. Final dimensions, finishes and electrical specification may change during development. Finished products will only be offered for sale after applicable electrical safety and conformity work is completed.

The Angle

Different perspective.

A more sculptural version of the pipe collection, using angled joints to create a distinctive articulated silhouette while keeping the reclaimed timber base.

INDICATIVE RETAIL PRICE

£129

Product details

DIMENSIONS	Approx. H 400 mm x W 250 mm x D 120 mm
MATERIALS	Reclaimed timber base, 1/2 inch BSP black iron pipe and angled fittings, E27 lampholder
BULB	1 x E27 ST64-style LED bulb (not included)
FINISHES	Natural / Dark Oak / Weathered
STATUS	In Development / Coming Soon

Concept visualisation. Final dimensions, finishes and electrical specification may change during development. Finished products will only be offered for sale after applicable electrical safety and conformity work is completed.

The Twin

Twice the character.

A balanced twin-light design with two matching pipe uprights and exposed bulbs. Made for sideboards, consoles and larger surfaces where you want more presence.

INDICATIVE RETAIL PRICE

£159
